**THE BUCAR GROUP:** *Expertise and People Mean RESULTS*

---

PAYROLLING

## COMMERCIAL BANK

### The Situation

*The company is seeking to cut costs and headcount.*

**Sales volume:** \$1 billion

**Employees:** 5,000

**Customers:** 20,000

**Customer of Bucar Group:** 6 years

### Solution:

Bucar helped company reduce employee headcount without cutting workers by shifting them to Bucar employees. From there, it looked the same to the company. Workers remained very much employee-like. Bucar is responsible for all employment costs and administration.

### The Results

Company achieved several benefits: lowest cost payrolling, less administrative work and more flexibility in managing expenses with increased cash flow.

*"We utilize Bucar Group for credit recommendations on larger AR exposures throughout our portfolio. Additionally, we have converted our credit analysts to Bucar employees in order to reduce headcount and administration. As a result, we still have our people as their employees ... And at the lowest cost possible for us."*
