
THE BUCAR GROUP: *Expertise and People Mean RESULTS*

BUILDING PRODUCTS MANUFACTURING

The Situation

The company was processing and paying all their invoices manually. Had a reputation for slow and inefficient processing resulting in long invoice cycle times and late payments.

Sales volume: \$150 million

Employees: 300

Customers: 4,000

Customer of Bucar Group: 2 years

Solution:

Bucar managed all paper invoices. Suppliers submitted invoices electronically. Company only had to manage exceptions.

The Results

The solution made a material impact on invoice processing cycle time, 50% savings on invoice processing costs, reduced late payments and penalties, and reduction of three full-time headcount

“We waited too long to do this. Bucar Group helped us over the hesitation with a great implementation plan. We saw results and productivity improvement right from the start. Furthermore, we are saving a lot of time and money. This is truly a no brainer thing do!
